Brooklyn, NY 11230

This is to certify that Kosher Cooktop Mats LLC is under our certification.

**Kosher Cooktop Mats offers a solution to allow the use of a non kosher or Chometz glass cook top, as follows:**

**Clean cook top thoroughly. In order to burn off any residue, turn the burners on high until they glow red.**

**The Kosher Cooktop Mat should then be placed on clean cook top. Once the Kosher Cooktop Mat is in place, pots may be placed on top of it.**

**Dedicate milk and meat areas of the mat, and mark the mat respectively. Alternatively, purchase two mats and use one for milk and the other for meat.**

**Spills should be wiped up as soon as possible.**

**Follow the manufacturer's safety recommendations at all times.**

**STAR-K assumes no responsibility for the safety or efficacy of this item.**

**This letter of certification is valid through February 28, 2022 and is subject to renewal at that time.**
